Content

See attached file(s)

iCam Copters would like to file a Petition for Exemption under Section 333.

This is a request to operate our 50 lb signal rotor UAS Helicopter with a Camera gimbal on closed sets in a legal manner.

Our Pilot has a ATP pilots rating with 20 years experience flying UAS Aircraft and is the designer and builder of the Helicopters. Attached is a picture .

Thank you.

* This count refers to the total comment/submissions received on this *document*, as of 11:59 PM yesterday. Note: Agencies review all submissions, however some agencies may choose to redact, or withhold, certain submissions (or portions thereof) such as those containing private or proprietary

information, inappropriate language, or duplicate/near duplicate examples of a mass-mail campaign. This can result in discrepancies between this count and those displayed when conducting searches on the Public Submission document type. For specific information about an agency's public submission policy, refer to its website or the Federal Register document.
